

Cloutility self-service portal pricing

The price of Cloutility is based on the capacity of backup data managed in Cloutility after compression and deduplication.

PRICING

25000 GB packages (on-premise or SaaS):	150 Euro/Month
250000 GB packages (on-premise):	1000 Euro/Month
1000000 GB packages (on-premise):	2500 Euro/Month

LICENSING COMMUNICATION

All on-premise host machines running Cloutility shall be able to communicate with the Auwau API located at:

URL: <https://remote.backupportal.com>
IP address: 185.66.187.140

This network access is used as an endpoint for the exchange of licence related metadata regarding the use of Cloutility. This information is used by Auwau for billing purposes.

EXAMPLE PRICING WITH 25000 GB PACKAGES
